

|  |   |
|--|---|
| <b>Session III</b>   |   |
| Room: Mugunghwa Hall (2F)  |   |
| Moderator: <b>Dr. Hyun Park</b> , <i>Korea Forest Research Institute, Korea</i>        |   |
| 2:50–<br>3:10 PM   | Sustainability of selective logging in tropical seasonal forests in Asia<br>( <b>Prof. Nobuya Mizoue</b> , <i>Kyushu University, Japan</i> )  |
| 3:10–<br>3:30 PM   | Aboveground carbon estimation of forest stands using tree-based LiDAR metrics and growth competition index<br>( <b>Prof. Chinsu Lin</b> , <i>National Chiayi University, Taiwan</i> )                                 |
| 3:30–<br>3:50 PM   | Inter-species comparisons in water use with different water irrigation regimes at Korea-Mongolia greenbelt plantation<br>( <b>Mr. Sungsik Cho</b> , <i>Seoul National University, Korea</i> )                         |
| 3:50–<br>4:10 PM   | Predicting land use/land cover change impacts on water and sediment yields using SWAT model in the Laguna de Bay watershed, Philippines<br>( <b>Ms. Azyleah C. Abino</b> , <i>Kongju National University, Korea</i> ) |
| 4:10 –<br>4:30 PM  | <b>Break</b>  |
| <b>Session IV</b>  |   |
| Room: Mugunghwa Hall (2F)  |   |
| Moderator: <b>Dr. Hyun-Kook Cho</b> , <i>Korea Forestry Promotion Institute, Korea</i> |   |
| 4:30 –<br>4:50 PM  | Spatial-and-temporal optimization model for mountain ginseng cultivation in South Korea<br>( <b>Dr. Hee Han</b> , <i>Seoul National University, Korea</i> )   |
| 4:50 –<br>5:10 PM  | Ecological sustainability of human-induced intervention in mountain forests of Bhutan Himalaya<br>( <b>Dr. Mani Ram Muktan</b> , <i>Korea Forest Research Institute, Korea</i> )                                      |
| 5:10 –<br>5:30 PM  | Assessment of local people’s dependency on selectively logged production forest: A case study of Southeastern Bago Yoma, Myanmar<br>( <b>Mr. Thein Saung</b> , <i>Kyushu University, Japan</i> )                      |
| 5:30 –<br>5:50 PM  | Forest ecosystem services quantification and biodiversity conservation in Korea<br>( <b>Ms. Hyun-Ah Choi</b> , <i>Korea University, Korea</i> )   |
| 6:30–<br>8:30 PM   | <b>Banquet</b>  |
| <b>Thursday-Friday, May 29-30, 2014</b><br><b>(Two-Day Excursion)</b>                  |   |
| 9:00 AM -<br>6:00 PM   | <b>Field Trip</b><br>Korean Folk Village<br>Daegwallyeong National Recreation Forest<br>Eulji Observatory & Punch Bowl  |
